Beyond Burger is a new kind of burger from the USA. It's getting more and more popular these days. It looks like a beef burger, but there is no meat inside.

Ethan Brown made the first Beyond Burger in the world. He wanted everyone to eat healthy food, and at the same time, he didn't want any animals to die for it. What's more, these burgers are more friendly to the earth than beef burgers because they need less water and land to produce.

Some people may ask the question: "Does this kind of burger have more nutrition than a beef burger?" Well, the answer is yes. Now a few shops in Taiwan are selling Beyond Burgers. Why not give them a try?

39. What is the reading mainly (主要地) about?

- (A) Beef burgers.
(B) The first burger in the world.
(C) New popular burger shops in Taiwan.
(D) A new kind of burger, Beyond Burger.
