Ella is working on her science report. She found the following reading on a website. Please read it and answer the questions.

<h3>Turtles</h3>	<h3>Tortoises</h3>
 <p>Most turtles eat fish, sea grass and small sea animals. They spend a lot of time in the water. When mother turtles must lay their eggs on the beach, they leave the ocean. Turtles swim, but they also climb onto rocks to get warm in the sun. They can live for 20 to 40 years.</p>	 <p>Most tortoises are <u>herbivores</u>. In other words, they don't eat meat. They live on land, and most tortoises do not swim. They use their strong legs to dig holes. When it gets too hot outside, they love to hide underground. They can live for 80 to 150 years.</p>
